### Summary of reasons for decision:

This image depicts a girl in the process of removing her top. It has a mildly sexual tone due to the fact that her midriff is visible. However, this alone is not enough to conclude that the image promotes or supports, or tends to promote or support, the exploitation of children for sexual purposes. The image is therefore classified as unrestricted. This classification places no limitation on the right to freedom of expression contained in the New Zealand Bill of Rights Act 1990.
